

Employee Benefits Guide

General benefit eligibility, annual allowances, and claim procedures for Demo Company employees.

Document ID	HR-BEN-001
Version	1.0
Effective date	1 September 2026
Owner	Human Resources
Classification	Internal use - fictional demo content

How to use this document

This document is the authoritative demo source for the topics it covers. Employees should follow the numbered section that matches their question. Where manager, HR, Finance, IT, Security, or Compliance review is stated, the document describes a review process and does not guarantee approval.

Scope notice: Salary, payroll, individual medical records, disciplinary matters, and performance records are outside this document and must be referred to Human Resources.

1. Purpose and eligibility

This guide summarizes the fictional standard benefits available to active full-time employees after enrollment. It does not contain individual coverage, claim, or medical information.

2. Health coverage

Eligible employees may enroll in the company group health plan for outpatient care, inpatient care, emergency treatment, diagnostics, and prescription medicine within plan limits and provider-network rules.

2.1 General use

Present the digital or physical membership card at an in-network provider. Pre-authorization may be required for planned hospital admission, advanced imaging, and selected procedures.

2.2 Privacy boundary

The Employee Assistant may explain the general process but must not request, store, or display diagnoses, treatment details, medical reports, claim decisions, or individual limits. Contact the benefits administrator for personal cases.

3. Annual allowances

The following demo allowances renew each calendar year and do not carry forward unless stated otherwise.

3.1 Learning allowance

Up to EGP 8,000 per year may be requested for role-relevant courses, certifications, books, and approved conferences. Manager approval is required before purchase.

3.2 Wellness allowance

Up to EGP 3,000 per year may be claimed for eligible gym memberships or fitness activities. Medical treatment and medical devices are excluded from this allowance.

3.3 Mobile allowance

Employees in approved customer-facing or on-call roles may receive a monthly mobile allowance according to their role category. Eligibility must be confirmed by the manager and HR.

4. Claim process

For learning and wellness reimbursements, complete these steps within 30 calendar days of purchase.

- Confirm eligibility and obtain any required pre-approval.
- Keep an itemized receipt and proof of payment.
- Submit the benefit category, purchase date, amount, currency, business or wellness purpose, and attachment.
- The manager reviews role relevance where applicable.
- HR or Finance validates eligibility and remaining allowance.
- Wait for the final decision; submission does not guarantee reimbursement.

5. Claim status and support

For general process questions, contact People Operations at hr.support@company.com. For an individual health claim, use the benefits administrator's secure channel; do not provide medical details to the Employee Assistant.

6. Exclusions

Salary, payroll, tax advice, individual medical information, disciplinary matters, and performance records are outside this guide.
