How to use this document

This document is the authoritative demo source for the topics it covers. Employees should follow the numbered section that matches their question. Where manager, HR, Finance, IT, Security, or Compliance review is stated, the document describes a review process and does not guarantee approval.

Scope notice: Salary, payroll, individual medical records, disciplinary matters, and performance records are outside this document and must be referred to Human Resources.

1. Purpose and scope

These policies apply to all active employees of Demo Company unless a section states otherwise. Contractors should ask their contract owner which rules apply.

2. Leave policy

Leave requests are submitted for review and remain unapproved until the employee receives an approval decision.

2.1 Annual leave entitlement

Full-time employees receive 21 working days of paid annual leave per calendar year. Employees joining during the year receive a prorated balance. Unused days are handled according to HR year-end guidance.

2.2 Requesting annual leave

Employees should submit ordinary annual leave at least five working days before the start date. Requests of five working days or more should be submitted at least ten working days in advance.

- Provide the leave type, start date, end date, and an optional note.
- The direct manager reviews operational coverage before HR records the approved leave.
- A submitted request is pending until the employee receives an explicit approval notification.

2.3 Sick and emergency absence

Notify the manager as soon as reasonably possible. If an absence exceeds two consecutive working days, contact HR for the documentation requirements. Do not send personal medical details through the Employee Assistant.

2.4 Cancellation or change

Request changes or cancellation before the leave begins. Changes are subject to the same review process and are not confirmed until acknowledged.

3. Remote work policy

Eligible employees may work remotely for up to two days per week when their role and team schedule permit.

3.1 Eligibility and scheduling

The manager must agree the remote-work days in advance. Remote work is not an automatic entitlement and may be limited during onboarding, critical operations, customer visits, or team events.

- Keep calendar status and working location current.
- Remain reachable during core collaboration hours.
- Work from a private environment suitable for confidential conversations.

3.2 Equipment and security

Use company-approved equipment and secure connections. Employees must follow the Information Security Protocol in Office Rules, Section 4.

4. Business travel policy

Business travel requires written manager approval before booking. International travel also requires confirmation from the Travel Desk.

4.1 Booking

Use the approved travel provider where available. Choose reasonable economy travel and standard accommodation unless a documented business need is approved in advance.

4.2 During travel

Keep itemized receipts, protect company devices, and report itinerary disruptions to the manager and Travel Desk.

5. Expense reimbursement policy

Employees may claim reasonable, necessary, and business-related expenses that comply with this policy.

5.1 Eligible evidence

Submit an itemized receipt showing supplier, date, purchased items, currency, and total. Card slips without item details are insufficient unless Finance accepts a written exception.

5.2 Submission process

Submit the claim within 15 calendar days after the expense or return from travel.

- Select the correct expense category.
- Enter the business purpose and project or client reference when applicable.
- Attach readable itemized receipts.
- Submit for manager review, followed by Finance validation.

5.3 Exclusions

Personal purchases, fines, minibar charges, unapproved upgrades, and expenses without a business purpose are not reimbursable.

6. Code of conduct

Employees must act honestly, respectfully, safely, and in the company's legitimate interests.

- Treat colleagues, customers, and suppliers with dignity.
- Avoid conflicts of interest and disclose potential conflicts to Compliance.
- Protect confidential and personal information.
- Do not offer or accept improper payments, gifts, or favors.
- Report suspected misconduct through the manager, HR, Compliance, or the confidential reporting channel.

7. Questions and exceptions

Policy exceptions require written approval from the named policy owner. For unsupported questions, contact People Operations at hr.support@company.com.
